

Fixed Term Teacher 2022

Addington Te Kura Taumatua, Christchurch

Y1-6 (Conductive Education Y 1-8), U4, Decile 3

An exciting opportunity exists for a self-motivated, passionate and committed teacher with excellent classroom practice and the ability to build strong relationships with our students, colleagues and our school community to join our teaching team for a year. We seek a teacher who is strong in collaborative practice, enthusiastic about growing as a learner and teacher, energetic and committed to continuous improvement, and have a growth mindset.

Knowledge about the PB4L framework and experience in using this positive behaviour model within the classroom, Te Reo Maori, learning through play, competent use of e-learning tools integrated into the classroom programme and/or experience in deep learning pedagogy (Michael Fullan) would be advantageous.

We have delightful students, a happy and well-resourced environment, and a supportive board and community. If you want to be part of our newly rebuilt and refurbished purpose built collaborative school, and you're willing to contribute to schoolwide programmes and activities – please state your strengths and interests clearly in your application. This fixed term position will be in the Ngahere Y0-3 area of the school.

Please email your covering letter, CV stating strengths and experience including 3 relevant referees for the position to: Donna Buchanan principal@addington.school.nz.

Applications close **4pm, Monday 23rd November, 2020**
